

5. Direct Settlement/Pre-approval by Universal Life

In-patient treatment must be pre-authorised by Universal Life (see your handbook for details). You must contact us on +357 22 88 22 22 or by fax on +357 22 88 22 66 at least 10 days before treatment to arrange this.

This form is used for:

- a) the submission of a claim for medical care that has already been provided; or
- b) the submission of a pre-approval request for scheduled hospital care.

The assessment of a pre-approval request is made exclusively on the basis of the terms of the insurance policy and does not constitute an indication of, or a recommendation regarding, the medical necessity of the proposed treatment.

The form and the required supporting documents must be submitted within 90 days from the treatment start date for a claim.

Claims will not be processed if they are not submitted within the specified deadlines.

The issue of this form does not imply any liability on the part of Universal Life and any other companies we are affiliated with. We recommend you photocopy the completed form and any enclosures for your own records.
